Dear Ms. Weinberg,

Thanks for your thoughtfulness in sending me the transcript of Professor Armentano's kind remarks. I'd appreciate it if when you are in touch with him you express my appreciation to him also.

When the transcript was made the transcriber did not get the correct spelling on an unusual name. What sounds like Elkins actually is Atlgens.

You may want to correct any further copies you distribute.

My thanks to you both,

Sincerely,

Harold Weisberg
